SOLID WASTE GUIDE

General Information

The Town of Moncks Corner provides sanitation services to each residence once a week. It is our goal to provide you with the best possible sanitation service. We ask that you follow these guidelines to assist us in achieving that goal.

An initial non-refundable \$80.00 fee will be charged to all waste services recipients. This \$80.00 fee provides each resident one green roll cart for household solid waste and one brown roll cart for yard debris disposal only. Household solid waste is NOT to be placed in the brown yard debris can.

All refuse and debris must be:

- Properly containerized. Bags/boxes left beside the cart will not be picked up, and no unauthorized containers will be emptied.
- DO NOT put plastic bags or household solid waste inside the brown yard debris carts.
- Place Roll Cart(s) curbside by 6 a.m. on your collection day (Trucks will not return for containers placed out late for pick-up)
- DO NOT over load the roll cart.
- If your trash is not picked up, please check your cart for a sticker from our trash crew explaining why some or all of your trash could not be collected.
- Additional cans & service can be purchased from the Town. Call 843-719-7900.

Sorting Solid Waste

Regular household solid waste should be placed in your green roll cart. This is the solid waste generated from food preparation and other regular daily activities. Small appliances such as toasters and microwave ovens are collected with regular household solid waste along with clothing and

bicycles. Cardboard boxes must be flattened and placed inside your roll cart. Please do not use boxes as trash receptacles.

Items Not Collected

- Televisions/Computer Monitors (see E-scrap on following page)
- Concrete/Asphalt sidewalks, driveways
- Ashes or Cinders (hot or cold)
- Dirt/compost
- Bricks and/or concrete blocks or similar items
- Ceramic tile
- Shingles
- Large Automobile parts (fenders, doors, hoods, trunks, lids, bumpers, etc.)
- Contractor Generated Building & Yard debris
- Animal Feces

If you are unsure about the category of an item please call 843-719-7900 for clarification.

Yard Debris

Small debris such as grass clippings, straw, leaves, etc. must be placed in the Town issued yard waste roll cart.

Large yard debris, such as branches and limbs, may be stacked curbside for pickup. Maximum dimensions for pick up are 4 ft. long and 4 in. in diameter and no more than 50 lbs. in weight. Dirt must be removed from the roots.

Commercial businesses DO NOT have yard debris pick up service.

Contractors performing work at residential or commercial sites are responsible for removing litter and/or waste material by the end of each work week. The Town will NOT pick up their waste/debris.

SOLID WASTE GUIDE CONTINUED

Recycling

In Berkeley County, waste is sent to RePower South, a single-stream processing facility that pulls cardboard, paper, plastic bottles, metals & cans, etc. from our waste without citizens needing to sort out recyclables. For more information on RePower, visit repowersouth.com.

Bulky Items

This includes large pieces of furniture and large metal appliances. Very large items such as storage sheds, garage doors or trailers should be dismantled into manageable pieces. All bulk pickup will take place on Wednesdays, and is limited to two items per week. If you are moving in/out and have excess trash, the Town will treat it as a bulk item. Please call 843-719-7900 to arrange bulk item removal by 3:00 p.m. on Tuesday.

Carpet & Construction Debris

If you are a HOMEOWNER replacing carpet, without the assistance of a contractor, carpet will be picked up ONLY if it is dry, and rolled neatly in 4 ft. sections. Carpet installation companies are required to haul off carpet.

We will NOT pick up construction and demolition debris, such as doors, windows, or lumber. However, the Convenience Center at the Berkeley County

Landfill, located on Oakley Road, is open most evenings until 7 p.m. There are specific dumpsters on site for the disposal of such debris. Please call their office at 843-761- 8817 for schedule and any questions you may have concerning C&D items.

E-Scrap

Please take electronic scrap such as televisions, computers, computer monitors or printers to the Berkeley County Convenience Center located at 606 Oakley Road.

Used Oil Collection Sites

- Advance Auto Parts 109 S Highway 52
- Santee Cooper— corner of One Riverwood Drive and U.S. 52 Bypass.
